## Description

Perfect for both salt water and year round lake boating, the R6 Outboard can tip its engine completely out of the water, making cooling-system drainage and maintenance simpler. Plus, cobalt has combined the convenience, economy, and agility you expect with timeless Cobalt design for a striking presence and standout ride.

With the interior presenting elegance with wraparound yacht-style seating for comfort and luxury with plenty of room for gear, and increased space and capacity for a head compartment while still maintaining its sporty performance and responsive handling.This may be the boat you've been looking for!
