Description

The R35 Outboard Coupe isn't just a boat—it's a bold statement in boating. Rugged yet refined, it empowers you to embrace the wild with the elegance you deserve.

For those who seek untamed horizons yet refuse to compromise on sophistication, the Cobalt R35 Outboard Coupe will deliver an unparalleled fusion of adventure and elegance. Designed for the rugged adventurer, this yacht-certified vessel thrives on big water, powered by up to 1,200 HP from triple Yamaha or Mercury engines and stabilized by a Seakeeper system that tames the roughest seas.

Its enclosed coupe top offers protection against the elements while embodying refined craftsmanship. From tender storage for paddle boards and SeaScooters to integrated fishing rod holders, the R35 Outboard Coupe equips you for exploration. Cutting-edge technology—dual 12-inch Garmin displays, Flir NightVision, a joystick-controlled helm, and programmable LED lighting—ensures every journey is as comfortable as it is exhilarating. Luxury complements the adventure at every turn: unwind in queen-size sleeping quarters, savor meals with a push-button deployable galley, and revel in the acoustic mastery of a 4,000-watt Harman Kardon sound system.
