Popular Cobalt firsts like a Harman Kardon audio system that’s acoustically tuned to your boat, and Seakeeper gyroscopic stabilization, and large cabin accommodates both seating and a full-beam mattress, are joined by such all-new options as Helm Watch, which gives your guests direct access to charts and cabin controls, and a patent pending space-saving, auto-deploy galley that deploys at the touch of a button.

With the cabin down below this makes for a perfect overnighter or even a place for the little ones to take a break from the sun during the day.
