Description

2026 Cobalt R6 Outboard available to secure!

Perfect for both salt water and year round lake boating, the R6 Outboard can tip its engine completely out of the water, making cooling-system drainage and maintenance simpler. Plus, cobalt has combined the convenience, economy, and agility you expect with timeless Cobalt design for a striking presence and standout ride.

With the interior presenting elegance with wraparound yacht-style seating for comfort and luxury with plenty of room for gear, and increased space and capacity for a head compartment while still maintaining its sporty performance and responsive handling. This may be the boat you've been looking for!

Price advertised is for base configuration of the R6 Outboard fitted with Yamaha F250XCA Motor or Mercury 250 VERADO Motor.

Contact our Cobalt Specialist to discuss options and availability.
