Description

The E235 SURF is the do-it-all watersports boat that’s perfect for every wakeboarder, skier and surfer in the family. This versatile crossover model features a center ballast system with two additional bags at port and starboard (for 1,500 lbs. of ballast) to ensure the best waves for all skill levels. And Volvo’s Forward Drive places the prop in front of the sterndrive’s lower unit, eliminating the safety concerns of surfing behind an exposed propeller.
