Description

Crownline has combined the comforts and amenities of the much-loved Eclipse series with the new technology of Volvo Forward Drive to create the ultimate surf, ski and wakeboard boat. Forward Drive places the prop in front of the sterndrive’s lower unit, eliminating the safety concerns of surfing behind an exposed propeller. The E 275 SURF also features a full wrap-around swim platform with soft touch mat for easy boarding and ski and wakeboard prep, four-step stainless steel ladder, and handheld transom shower.
