Description

The icon of tournament waterskiing is still on top - and pulling further ahead. The Malibu Response TXi remains the boat skiers trust for their best passes. Built on the exclusive T-Cut Diamond Hull™, the TXi gets a major upgrade at the helm for 2026. A redesigned dash and all-new Garmin touchscreen gives drivers faster, clearer control of every function, while the new windshield improves visibility for a more confident pull. On the water, the TXi’s consistency is unmatched. Advanced Rudder Control, Zero Off GPS, and Malibu’s precision tracking deliver the reliable pull skiers demand, whether it’s a training set or a record run.

Chosen as the official towboat of the IWWF, the Response TXi continues its legacy at the top of the sport. The TXi is built to pull champions - that’s the Truth On The Water™.
